OUR SUMMER CAMP STAFF:

We believe MSC Summer Camp offers something uniquely different. Summer Camp is the primary focus of our facility for 11 weeks. Your kids rule! Additionally, we have an amazing staff! Our staff consists of qualified, responsible and trained adults, college students, and high school students. Once hired, the MSC staff is trained for the first day of camp. All of our employees have been background certified.

Let me introduce you to our lead staff:

Pam Broussard, BA, ED; RN, owner and part of MSC Management Team. She has been at MSC for over 17 years and working with children for over 39 years. She helped begin our Summer Camp Program in 2005 and remains actively involved in our summer camp program. She is a 60 year old mother of 4 boys and grandmother to 4 granddaughters and is engaged to be married. Her desire has always been to serve the children and the families God sends our way. At MSC we try to provide a personal touch, one that makes you feel like we are more than a business, but rather an extension to your family.

Chris Broussard, BA Management, Facility Manager has been here over 17 years and remains actively part of our Summer Camp. He started working here in high school and returned to join our management staff upon graduation with a Degree in Business Administration. He is a tumbling coach for 15 years, fitness instructor, and talented athlete. He is 35 years old and is married. He loves people and pours himself into trying to give our MSC Family the best experience possible. The kids and families he works with love him!

Karyn Long, Facility Manager has been here at MSC for over 17 years. She is 56, was married for 30 years and is now a widow, the mother of a daughter, a son and one German Shepherd Dog and has two grandsons. She is an experienced legal secretary and bookkeeper for 36 years and facilitates the billing/accounting side of camp and all programs, as well as other responsibilities at MSC from 7am-3pm daily. She and an assistant work hard to follow-up and answer the many emails received during summer camp. All correspondences should be sent timely to Karyn@MandevilleSportsComplex.com.

Ann Dowdy, Summer Camp Director, has been working at MSC for 6 years and is 62 years old. She is now director of Summer Camp, Aftercare Programs, 3 & 4 year old Gymnastics Coach and a fitness instructor and has worked in the fitness/childcare industry for over 21 years. She is mother to two grown sons and is married with two dogs and several cats. She is loved by the children and their families because of her caring and servant demeanor.

Mary Kempff is 53 years old, is married with one daughter, two sons and two dogs. She retired 16 years ago from the insurance industry when she decided to return to work. She loves working with the children, crafts, baking, working out and being with family and friends.

Jacey Stewart is 29 years old and has been a part of MSC for a long time. She began on our competitive girls gymnastic team for seven years, then on our trampoline and tumbling team for two years. She worked in our Aftercare, Summer Camp and Recreational Gymnastics Programs for many years and is currently the coach of the lower level Girls Gymnastics Team. In 2020 she became a St. Tammany School bus driver. She will be our Field Trip Coordinator this year for Summer Camp.

Maurice Brumfield is 27 years old. Since 2015, he has been working with kids as a cheer team and tumbling coach. He is currently a cheer coach for Crown Cheer Program in the MSC gym. He is enthusiastic and energetic. He looks forward to being part of the MSC Summer Camp Staff.

Kayla Gill is 27 years old. She graduated from Southeastern in 2020 and just finished teaching her first year at Parkview Baptist School where she taught high school English. Kayla worked in the MSC Summer Camp and Aftercare Programs while she was in high school and college.

Kathy Broussard is new to our Team here at MSC. She is 49 years old, married and mother of 8 boys and 3 granddaughters. She has worked in the school system for 25 years as a school bus driver and certified trainer. Even though she runs a tight ship, her students love her and find her fun loving and “cool”.

Regina Baillio has two daughters, a son, 6 grandchildren and one great granddaughter. She has 35 years in childcare industry from helping a friend open a daycare to being a preschool teacher at Northlake Christian, to a bus driver and back to sub teaching in public school. COVID/HYGIENE PROTOCOL

- We're excited to announce that we have installed UV lights in all AC units to aid in fight of infections and viruses (including COVID 19).
- Parents will register and/or sign-in at outside tables. After your child's hands are sanitized, a counselor will walk your child inside the building to their designated location. Anyone with a temperature of 100 degrees or greater, loss of smell/taste, stomachache, diarrhea, vomiting or uncontrolled nausea at any time of the day will not be allowed to enter or will be sent home.
- We will be dividing campers into smaller groups as they rotate through various activities throughout the day.
- Handwashing will be required to enter the building, before/after eating, restroom and transition times as well as encouraged throughout the day. Surface areas will be sanitized throughout the day at one of our sanitation stations.
- If your child tests positive for COVID, must isolate for 5 days.

PRIOR MEDICATION/DISCIPLINE ISSUES

The purpose of this report is to document any behavior that is a concern to better meet the needs of your child. This information will remain confidential within our staff.

- Please provide an explanation and Disciplinary Report from any school that your child has been enrolled in where disciplinary action was taken within the last year.

- Is your child prescribed any medication and if so, please list those medications and when it is administered and if the dosage is changing during the summer?

- Does your child have any illness, physical disability or mental disability?

- Does your child meet criteria for a special education disability, Section 504 plan or other service category?

- Are there any behavior problems such as verbal or physical aggression towards others or themselves and are there triggers that cause these issues and best means to combat the behavior for your child?

- Have there ever been any disruptive tantrums or defiance/disrespect towards teachers and other authoritative figures?

BULLYING 2022

We want your children to enjoy their time at MSC. We have no desire to see any of our campers bullied. At times we feel the term is misused, too broad, overgeneralized, and misunderstood. Part of the learning curve is learning how to deal with a variety of emotions and behaviors. We want kids to be able to recognize when they are pushing kids' buttons or having their buttons pushed and to learn to recognize when they need to walk away.... We are not all created equal, nor do not we respond the same way in given situations. Additionally, home environment, amount of community exposure, and personality style greatly affect how a child responds. Life is a journey of learning for us all.

Our MSC staff desires to listen to children express their concerns related to the behavior of other children around them, as well as when they are struggling with how they are responding to the children around them. We think that learning conflict resolution is a vital skill; one that we hope to help them develop. That is why our staff takes time to talk with all the children involved in situations when we are told a child is saying hurtful, mean, or putdown comments, as well as those about kids playing too rough or leaving them out. When we deem necessary children are removed from activities, put in time out, write lines, and/or parent called. If no improvement, a camper can be asked to leave camp for the day or indefinitely.

We truly care about your child, so we ask that you to email us about any concerns in this matter to Info@MandevilleSportsComplex.com. **Please contact us timely in order for us to handle the situation.** Lastly, keep in mind what goes home is only part of what happened. Kids can have amnesia when it comes to their part in "why" the conflict occurred.

Camper's Pledge:

I consider it a privilege to attend MSC Summer Camp and understand that I will be expected to be obedient and treat others with kindness and respect.

I agree to follow all of the rules as listed and as directed by the counselors.

I understand that disobeying or treating others with unkindness or disrespect cannot be tolerated.

I understand that if I choose to not follow the rules, discipline may result, and my parents may be notified. Discipline may include suspension or dismissal.
